# TBS showcase at a state of the art leisure facility

Products that were durable and easy to maintain while providing good looks were key on this 40 million project, TBS Slimline range of cubicles, Eclipse lockers and solid surface vanity tops and shelves certainly hit the mark.

TBS Eclipse lockers feature solid grade laminate doors with a rolled aluminium carcass and are available in various configurations, Bridlington Leisure World specified a number of combinations including 1,2,3 and 4 tier, in a 3 tone grey colour combination to ensure a neutral finish, while some doors featured a vibrant Orange colour or a contemporary Walnut finish.

Eclipse lockers are regularly installed in leisure environments such as swimming pools and leisure centres and come with a variety of locking options such as cam locks, hasp & staple lock, £1 coin return or digital locks. Eclipse lockers can be adapted for wheelchair users as.

Contemporary looking split level seamless Corian vanity shelves were installed to the changing areas. Solid surface materials are easy to maintain and clean and can site jointed to give a seamless look with no joint lines.

All Slimline changing cubicles were installed with solid grade bench seating and anti peep rails for privacy within the changing cubicle.

Contracts director Terry O'Donnell commented "Bridlington Leisure World was a good opportunity for us to showcase our products within a leisure environment. The job was supplied and installed on time and within budget, and we look forward to installing many more cubicles and lockers in the leisure sector".
